

As Jewish people around the world reflect upon Rosh Hashanah, the beginning of our spiritual New Year, we bear in mind the 2,000-year old admonition of the Talmudic scholar Hillel...

**"If I am not for myself, then who will be for me?
And if I am only for myself, what am I? And if not now, when?"**

Before one more person is murdered
Before one more child is brutalized
Before one more woman is raped
Before one more village is burned

– Jan Egeland, United Nations Emergency Relief Coordinator, August 28, 2006
